

Current GPHF-Minilab Method Inventory

No.	TLC Test Kit	Dye Test Kit
01	Acetylsalicylic Acid (Aspirin)	Acetylsalicylic Acid (Aspirin)
02	Albendazole	-
03	Aminophylline	Aminophylline
04	Amodiaquine	-
04	Amoxicillin	Amoxicillin
06	Ampicillin	Ampicillin
07	Artemether incl. lumefantrine co-formulations as oral solid dosage forms	Artemether solid dosage forms
08	Artemether incl. lumefantrine co-formulations as powder for oral suspensions	Artemether see above
09	Artesunat	Artesunate
10	Atovaquone incl. proguanil co-formulations	-
11	Azithromycin	-
12	Cefalexin	Cefalexin
13	Cefixime	-
14	Cefuroxime axetil	-
15	Chloramphenicol	Chloramphenicol
16	Chloroquine as phosphate and sulphate salt	Chloroquine as phosphate and sulphate salt
17	Ciprofloxacin	Ciprofloxacin
18	Cloxacillin	Cloxacillin
19	Cycloserine	-
20	Didanosine	-
21	Dihydroartemisinin incl. piperazine co-formulations	-
22	Erythromycin as free base and stearate	Erythromycin as free base and stearate
23	Ethambutol	Ethambutol
24	Ethionamide	-
25	Furosemide	Furosemide
26	Glibenclamide	Glibenclamide
27	Griseofulvin	Griseofulvin
28	Halofantrine (reference standards currently not available)	-
29	Indinavir	-
30	Isoniazid	Isoniazid
31	Lamivudine incl. solutions for oral administration	-
32	Levofloxacin	-
	<i>Table continued next page</i>	

No.	TLC Test Kit	Dye Test Kit
33	Lumefantrine incl. artemether co-formulations as oral solid dosage forms	-
34	Lumefantrine incl. artemether co-formulations as powder for oral suspensions	-
35	Mebendazole	Mebendazole
36	Mefloquine	Mefloquine
37	Metronidazole	Metronidazole
38	Moxifloxacin	-
39	Nevirapine incl. solutions for oral administration	-
40	Oseltamivir	Oseltamivir
41	Paracetamol (Acetaminophen)	Paracetamol (Acetaminophen)
42	Phenoxymethylpenicillin (Penicillin V)	Phenoxymethylpenicillin (Penicillin V)
43	Praziquantel	-
44	Prednisolone	Prednisolone
45	Primaquine (reference standards currently not available)	Primaquine
46	Piperaquine incl. dihydroartemisinin co-formulations	-
47	Proguanil incl. atovaquone co-formulations	-
48	Prothionamide	-
49	Pyrazinamide	Pyrazinamide
50	Quinine incl. all common salts as solid oral and parenteral dosage forms	Quinine incl. all common salts as solid oral dosage forms
51	Rifampicin	Rifampicin
52	Salbutamol	Salbutamol
53	Stavudine	-
54	Sulfadoxine incl. pyrimethamine co-formulations	Sulfadoxine incl. pyrimethamine co-formulations
55	Sulfamethoxazole incl. trimethoprim co-formulations	Sulfamethoxazole incl. trimethoprim co-formulations
56	Tetracycline	Tetracycline
57	Zidovudine incl. solutions for oral administration	-
